A STUDY IN

EXPRESSION

The cover of this year's Tradewinds must be taken at more than face value. For the first time in the history of the book, the annual cover depicts the theme, which is consistently carried throughout the use of photojournalism.

The eagle has long been a symbol of keeness, and strength. Carried on the standards of the Roman Empire, embossed on the great seal of the United States, this magnificent bird has truly become one of, if not the most expressive animals in existence.

The staff of the TRADEWINDS staff feels that in emblazoning the eagle, we have best represented the theme and its many facets.

Margie,
did known you for quite a long time, but not really very well, just lately in PE. We started to mess around together. You really are a darling girl and I hope we can stay friends for a long time. I also hope you succeed in everything you do, which I'm pretty sure you will. Don't mess around with Rich too much now, ok? God Bless you

DEDICATION '67

Walk into the main office anytime during the day and anyone of three smiling faces will greet you. One of these smiles belongs to Mrs. Joyce Gough, who handles a multitude of tasks and still manages to smile.

She has been activities clerk since the job was created in 1961, and has developed it into one of the most active and indispensable positions at Mayfair.

Mrs. Gough was born and educated in England before moving to the United States and taking up residence in Los Angeles in 1946. Just this past year she celebrated her 20*th* year in America, and her 10*th* year as a United States citizen.

As student body accounts clerk, Mrs. Gough has the touchy responsibility of keeping track of all funds taken in and expended by all ASB organizations, a task which amounts to handling thousands of dollars each year. Mrs. Gough also helps handle main office business traffic.

In six years service to Mayfair, she has shown a dedication and loyalty which all of us have admired.

• We say thank you, Mrs. Gough, by dedicating this edition of *Tradewinds* '67, to you.

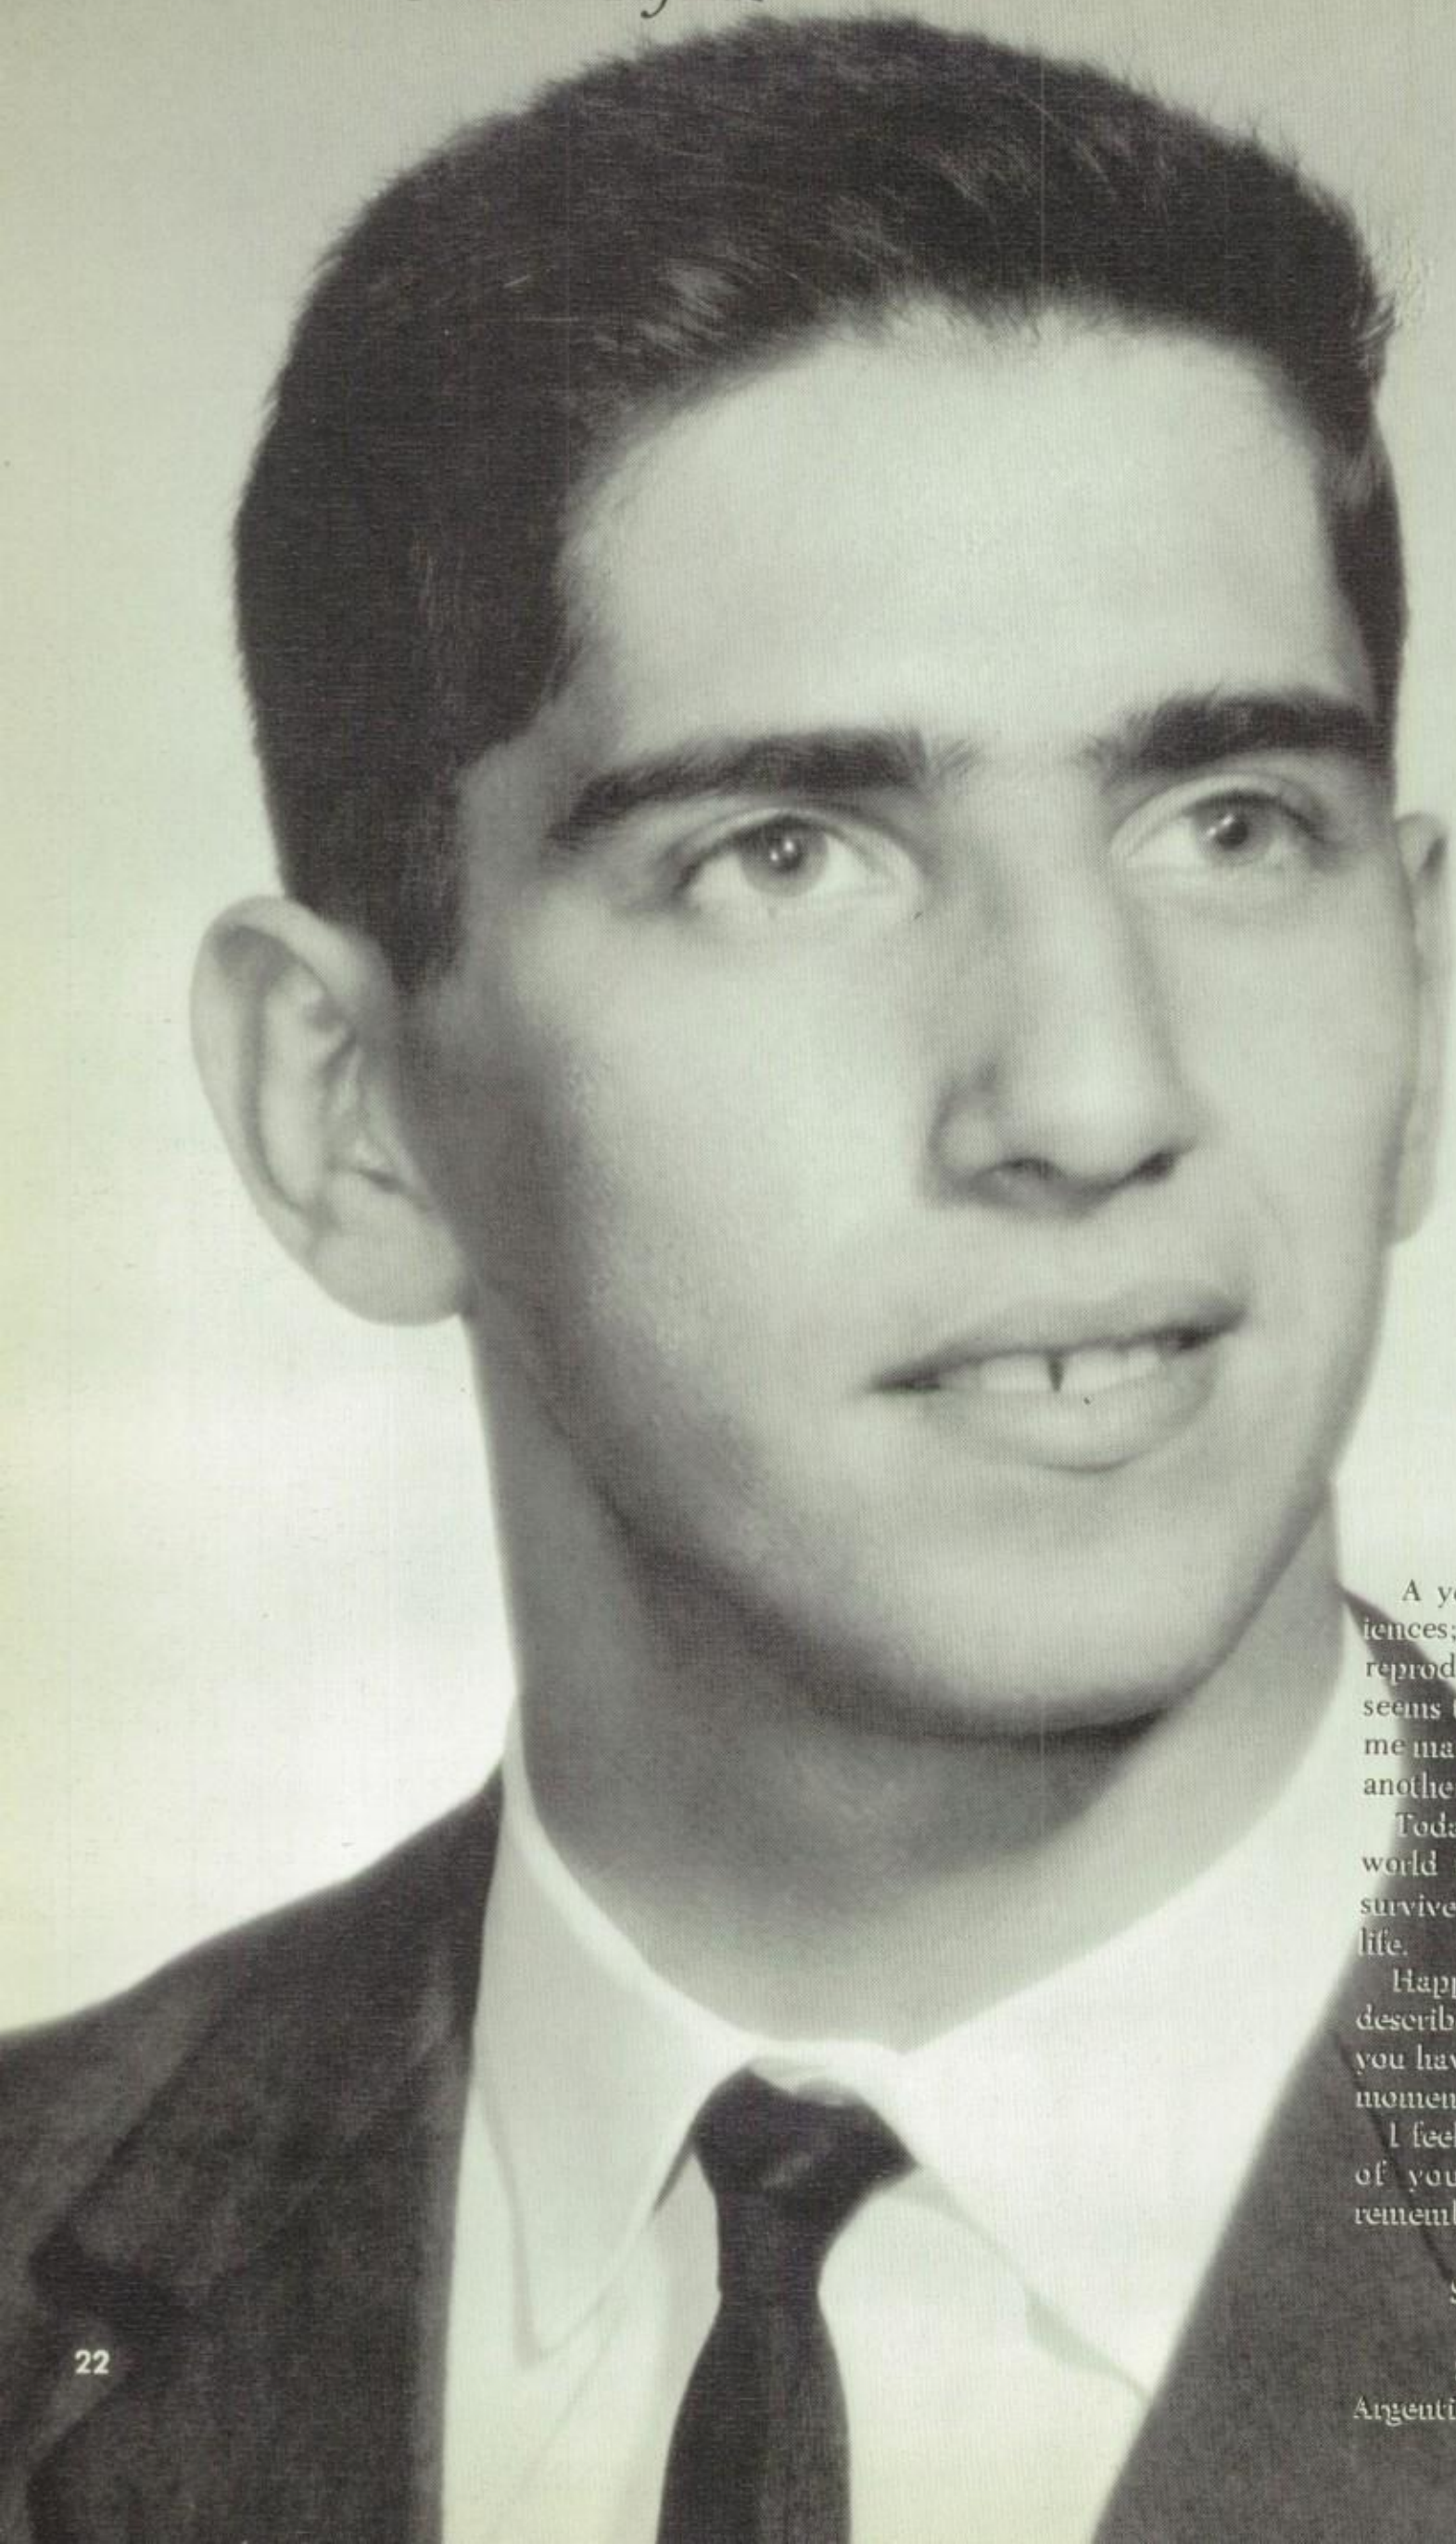
MARCOS LICHTMAJER



A year has gone; a year full of experiences; a year almost impossible to reproduce. I look behind and everything seems to be a dream; a dream that taught me many things; a dream that has opened another door of my life.

Today I feel the growing process of my world in space and time; time that will survive as another page in the book of my life.

Happiness is a word too abstract to describe, but today I live it, and each of you have contributed to build the pleasant moments that I have had.

I feel proud of my school; I feel proud of you people whom I will always remember.

Sincerely, M Lichtmajer

Ila Thomas

Teacher, Counselor, Friend

(1906 - 1967)

Mrs. Thomas came to Mayfair High School as a counselor in 1959. Before that she was an art teacher and counselor at Bellflower High School. Her initial degree was earned at Iowa State University, and she took additional training at the University of Southern California and California State College at Long Beach. She was a member of Delta Kappa Gamma, an honorary organization for women in education.

Mrs. Thomas enjoyed people. She worked hard at her job as counselor, and did whatever she could to be of help to the students who came to her. She was a lady — reserved and gentle. Her warmth, humor and depth of feeling were evident to all with whom she was associated. Her concern was always for the other person, never for herself. Her last three weeks of service from January 30 to February 23, 1967, illustrated the courage of which she was capable. March 10, 1967, was both the day on which she died, and also the day on which she was to be honored for her 31 years of faithful service to education.

Death removes the physical presence of a human being; it cannot remove the spirit. Ila Thomas' passing will be mourned, but her death must only etch the continuity of memory into sharper focus. In retrospect, she was a wonderful person. Those of us who knew her are grateful that she passed this way.

The preparations of the floats, the decorating of the gym for the dance, and the assembly at which the five princesses gave their speeches were only the beginning of Homecoming.

The senior tricycle race, casual day and the assembly at which Larry Alsup received a trophy for being the tricycle race champion began a new tradition at Mayfair.

Homecoming night began with the parade of the five princesses and the floats. The crowd grew silent and the lights were dimmed as only the spotlight shined on A.S.B.

President Tom Rodgers, who placed the crown upon the head of Mayfair's new Homecoming queen.

The expressions of joy, excitement and a dream come true could be seen in Anitra Shumard's face as she was crowned the 1966 Homecoming Queen. Coni Eggink, last year's queen, returned to give Anitra her roses, sceptre, and put the robe around her shoulders.

Queen Anitra and her court reigned over the Homecoming dance in the gym as Mayfair's seventh annual Homecoming came to a close.

THE FRAY – "Courageous" Cummings (21), attempts to a pass by Butch Lage (20) in the Varsity's 64-43 romp he faculty.

Cagers Bomb Faculty, Then Lose Three

Coach Bland's varsity basketball quintet handcuffed the fragile faculty 64-43 in their '66-'67 basketball debut.

The Monsoons were led by Rich Small with 14 points and 9 rebounds. He was followed by Butch Lage who accumulated 13 points with 9 rebounds. Six-feet-six Tom Steffen led in the rebound department with 13, while dropping in 6 points. Bob Wolf netted 10 points for the varsity.

Big guns for the faculty were Coaches Bland, Cummings, Crawford, Hubert, Costanza and Mickaelian. "Bomber" Bland led the faculty scorers with 11 points.

Riding high, the 'Soons then met Valley Christian on the Crusaders' court. Facing a smaller but quicker team the Monsoons grabbed less than their share of points, and found themselves on the short end of a 54-51 score. CLASS HIGHLIGHTS

The Freshmen came to Mayfair a little afraid and bewildered but they soon adjusted and got into the swing of routine.

They contributed in the Penny-Ante Fund Drive, but brought in the losing total. Next year they will probably surprise everyone.

The Class of 1970 have completed a trying, but fun year. I know they are all anxious for another, knowing they will be Sophomores.

You're a real pro out there on the single now. Beat Barbara (Ked - Leh). Your father must have come close to a heart attack when we were behind the boat wheel. In spite of all that happened I couldn't have had a better 10 days with anyone anywhere & My black little heart says thanks.

I wonder what feats will befall us this summer that we'll write about in next year's annual. I hope it's as much fun as this year was.

Oh yeah, remember we went to see Chad + Jeremy? That was a lot of fun. I'll never throw away my drum stick. Thanks to you. That's just one of the things I'll always remember you fondly by.

Whenever I hear "Summer in the City" I'll recall you + Pam Slats. Unforgettable.

It makes me "truly" (+ I mean that) grateful when I think of all the fun + laughs I would have been cheated out of if you hadn't have been a pest to me ~~friend~~ friend from the very first day I moved in. Remember? On my porch.

Now that we've both sweated through, only half safe, the ordeal of [redacted] 9812 Maple Bellflower license + got our mug shots we can kill each other for what we've written by backing out of our drives simultaneously, & flooring it. Been nice knowing you, Margie.

I know, now, there's no doubt about it. We have twin thoughts. We're always crackin' - up at restaurants (Bob's in center) the older we get the more fun we have & the more we think the same. This may not sound like the proper thing to say from one girl to another but if anything happened to you I would know it & if any part of you or (perish the thought!) all of you & part of me would also die & a living part of me will "always" be with you. (This is the real tear - jerker stuff now, so let the black gunk run down your face if it really gets to ya.) Dead or alive. I know I say this every year & you probably think it's all a lot of sloppy gunk + old hat to fill up the page but if I didn't mean very sincerely from the bottom of my ebony heart I wouldn't remember it well enough to say it every year. You are the greatest portion of my life, my very own 17 years. I mean that you are great in time & certainly in every deed + caper we've ever pulled off. Just remember you were 16 years of my life; my childhood was certainly developed with yours.

I sincerely think that we'll never be able to end this friendship for good. Face it, you're stuck with me.

If you ever get so despondent you think of suicide, before you shake the whole bottle of sleeping pills down your glass of milk, think of me. (Then take 2 bottles) No, not really. Please

With expression being the theme of this years Tradewinds it seemed altogether fitting and proper that the student body of Mayfair reach the ultimate in the expression of spirit.

Once only a dream this goal is now a reality. The unrelenting vigor and exuberance of the student body that sounded victory even in defeat was the purest form of spirit ever produced by Mayfair in its nine year history. And with this enthusiasm there came another spirit, the spirit of sportsmanship. Accepting the officials calls, showing respect for opposing players and their Alma Maters, and showing pride in our own Alma Mater combined to give Mayfair its greatest award.

With these qualities Mayfair emerged as the undisputed winner of the perpetual Sportsmanship (SPIRIT) Trophy, which was presented to Mayfair by the combined schools of the Suburban League. The Tradewinds staff is proud and honored to be a part of such an outstanding student body and extends a well deserved Congratulations!!!

(P) Margie, (CONTINUED)

Well, here it is. Time again to reminisce the same old task I reminisce every year. Somewhere here I'll get real sentimental smear the ink with a couple of tears. Salty ink. Actually I'm not yakkin' to take up space. YAK, YAK, YAK.

Guess it's about time to bring up this year's topic. Pine Flats. We really had a blast up there. Barry, Doug, Mike + Larry. Remember Chicken Shit? Our first taste o' sin. (HA-HA) Good ole Barry + his kitchen sink that you couldn't find under all the empty beer cans. There was some ace out there behind the boat, huh? Too bad I always tried to ski "under" the water. I would've never made it up on top if you hadn't been out there puttin' on my skis all the time. It's a wonder you're still here the way I kept bashin' you in the head every time you TRIED to help me. HAH! Take that!! Oo Barry, that was you Margie. Heh-heh, thought you were one of those nasty ol' fish after me.

Hey, that powder room up there couldn't have been more accomodating. Wonder what kind of room freshner they used? Could've been B.S. (our game). To p. 231

Margie,
It really has been fun getting to know you and I'm glad. Maybe I'll see you next year in a class, or most likely on campus. I'll still say hello. See you next year.
